

57th Street Chiropractic

"Live Your Life Without Limits"

As the state and the city reopens, our office has never closed and we have operated through this pandemic without incident. I am proud of my staff and their diligence in keeping the office environment a safe place for the patients and staff alike. We will continue to operate with all CDC, DOH and WHO guidelines on social distance, office density, sterilization and required PPE to keep all of us safe. Please note as per Governor, office masks are still required in our office so please be mindful of others and our staff and keep them on!

If you have concerns about traveling to the office, 'TELE-HEALTH' visits are available to determine if you need to come in and we can triage you on video chat and make recommendations if you are unsure about coming in or what to do. We have done several of them and most insurances are reimbursing for them and in some cases eliminated co-pays and deductibles or tele-health services. Feel free to call (212) 977-7094 to schedule those as well.

To accommodate office density we have extended hours and as of now, the office hours are:

Monday 9am-1pm 3:30pm-9:30pm

Tuesday 10am-1pm and 3:30pm-7pm

Wednesday 9am-1pm 3:30pm-9:30 pm

Thursday 9am-1pm 3:30pm-9:30 pm

Friday 9am-12noon

If you need a special appointment time, they will considered by request so please do not hesitate to ask.

Yours in Health,

Dr. Gregg D. Rubinstein
